(Sample topics to include in your report are listed below)

Project overview.

- What was proposed, how much of that got done?
 - What went exactly as planned?
 - What unexpected things happened?
 - (Funding? Logistics? Community involvement? Weather? Extra Support?)
 - What barriers were experienced, how were they managed?
 - (Did the project scope or scale change from what was proposed?)
- Was anything extra accomplished?
- How did you bring awareness of the project and/or the WLCF and its operations to the greater community?
 - Any long-term community benefits that you are anticipating?
 - Any permanent WLCF recognition?
 - Other forms of WLCF recognition?
 - How many people do you feel benefited from this project?
 - How many people do you feel learned something about the WLCF through this project?
- Please include photos with descriptions so that excerpts from your report can be turned into a news post on the WLCF website. (Embed photos in the report if you choose or send adequate quality pics directly to grants email).

- Financial summary - see [Excel template available for download](#)
 - Please describe major differences between the application budget and financial summary values in the table (that you're sending separately).
 - List actual expenditures (receipts are not needed, line items summarizing the expenses are adequate. Please show the expenditures in relation to the application budget)
- Do you have plans for subsequent years?
- New ideas?
- Major lessons learned?
